TerraTx Art Fest 2026

Legends of the Land

September 25-27, 2026 | Leakey and Concan, Texas

The inaugural TerraTx Art Fest brought art and community programming to the Frio Canyon. Its Legends of the Land theme connected local stories and landscapes with public art.

An art trail in the Frio Canyon

The trail links murals, sculpture and earth art across Leakey and Concan. Britt Johnson’s water-tank mural at the Historic Beard House is one example of the festival’s artist-led work.

MSC contribution

Mural Supply Co. supported planning, paint and supplies, wall preparation, artists and on-site production. Its role was festival production and artist support in partnership with the organizer.
